MESSAGE FROM THE PREZ

I hope everyone had a great Christmas and New Year. I'm looking forward to another great year of fellowship, programs and pictures and I hope we can continue to grow! I would like to take this opportunity to express my appreciation to all those who served on the board last year and to those who work so faithfully every month to make sure the club meetings are a success.

Now it's time to get the new equipment that old Santa brought into the field for some fun. Some snow would help the pictures along, but there are still plenty of things to shoot, so let's see some great pictures in the competition this year. I know our new program chairman, Rick McAuliffe, is working on some interesting and timely programs, but if you have any suggestions, he will be more than happy to listen.

I am only making two resolutions for the New Year and I hope you will join me in them.

1. Get out and take more pictures!
2. Take a friend with you and introduce them to the fun of photography. (bring them to the next meeting).

Suggestions for the Contact Sheet are always welcome and news and/or articles pertaining to photography from our membership are doubly welcome. If you would like to write an article, or if you have ideas for articles in the Contact Sheet, please let me know.

Just thinking ---wouldn't it be nice if every member submitted 12 (or more) entries in each competition category in 2004?
