A LETTER FROM THE PREZ

What a great meeting on January 27th! Lots of visitors, new members, and competition, too! I hope everyone can participate in the future competitions, it adds so much to their photographic experience.

We have a really great program scheduled for the 10th of February. I'm looking forward to it. Linda has worked hard to coordinate the workshop and we should all get good pictures and experience.

Wayne's field trip for February will keep us guessing for a while, but it should be a lot of fun.

Remember, invite your friends to the meetings – the more the merrier!

.....Jack

DID YOU NOTICE?

The February 2nd Sunday Daily Oklahoman featured the Eagle Watch at the Chickasaw National Park in Sulphur on January 25th. Mentioned in the article were **Joe Wilson** and **Jim Fowler** as participants in the Metro Camera Club field trip that day. Field Trip chair, **Wayne Hughes**, is aiming for a field trip each month, and on this trip we all saw eagles, which on a bird watch is not necessarily a sure thing. Way to go Wayne – so far you're batting a 1000!

PHOTOGRAPHY WORKSHOP

February 10th 6:30 pm, Will Rogers Garden Center

This is our regular meeting night but the normal meeting time is 7:30, so we are starting a full hour earlier. We realize work interferes with hobbies sometimes, so if this is too early for you, get there as soon as you can.

There will be live models, several different lighting set-ups for portrait and still life photography, with experienced photographers there to offer tips and hints to improve your technique.

Come, bring your own film and camera, either film or digital or both, and bring a guest for this "hands-on", "do-it-yourself" instructional photo session.

FEBRUARY FIELD TRIP—A Day in the Life of

We have all seen the wonderful pictures on the pages of National Geographic magazine of "People of Egypt" or "Life on the Mississippi", or "St. Louis Gateway to the West" . Pretty easy job, or is it?

Now is your chance to try your hand at photo essay photography in accepting the assignment of "A Day in the Life of ??". On February 15th we will be shooting our photo assignment of a day in the life of a town to be named at our February 10th meeting, with the film to be handed out at that same time. On the 15th we will begin photographing in our mystery town and later that day we will meet for lunch and turn in the film to our photo editor. At the March 10th meeting we will show the pictures that made the final 50 cut and the photographer with the most in the final 50 will be chosen as the photographer of our imaginary magazine. It will cost \$10 to purchase your film and development, to be paid at the February 10th meeting.
