## JUDGING AND CRITIQUING PROGRAM

### FEBRUARY 14, 2011

1. Judging and critiquing is a subjective thing. Our competitions do not allow enough time to do an extensive assessment of any image, but we would like to show you the thought processes of three judges so that our future judges can formulate their own evaluative techniques to use when they are called upon to participate in the competition.

2. **Joe Wilson, Don Risi, and Janet Steyer** will act as judges. They will score each photo and critique immediately after, telling why they scored the photograph the way that they did.

3. Each member can submit one digital image through the competition entry location on the internet at:

[digitalcomp@metrocameraclub.org](mailto:digitalcomp@metrocameraclub.org).

**We will accept the first fifty images and try to judge and critique as many as we can.**

4. Entries submitted will not be eligible for later competitions, so submit images that have already been entered before or ones that you do not wish to submit later.

On Feb.19, 2011, Metro Camera Club will host a Special Saturday Workshop concentrating on Portrait Lighting and Tabletop Photography.

Edmond Professional Photographer, Cary Garrison, will be providing instruction for portrait lighting and posing. Lighting set-ups will be provided by members of the Metro Camera Club.

Mr. Garrison is a professional photographer who owns Garrison Photography which has been in business for over 30 years. He specializes in high school seniors, families and children. Cary also takes pride in being involved in the community. Since opening his studio, Cary has come to hold active membership in the Edmond Area Chamber of Commerce, The professional Photographers of America (PPA), and the Professional Photographers of Oklahoma for over 20 years.

The Workshop starts at 10:00 AM (set-up people will need to be there at 9:00AM) and continues until 3:00PM.

**To help defray costs...a charge of \$5.00 per person will get you the Workshop, Pizza and Drinks!!! Quite a deal!!!**

Mr. Garrison will begin portrait instruction promptly at 10:00 AM until noon. During lunch and until 3:00 PM members and guests will be encouraged to use the same equipment that Cary used during the lecture. Bring your camera with plenty of film/memory cards to the Workshop.... be sure your camera is able to hook up with the studio sync cords used... regular PC connection. Check with your local Photo Dealer or myself for help in this area.

Models will be present and it is customary to provide courtesy photos (usually 8 x 10) or CD discs for their efforts.
