Updates from the President...

Over the years, I have been involved in a number of organizations. I realize I have never been aware of a group that is as unselfish as Metro Camera Club -- unselfish with their time, talent, knowledge, and most incredibly with their equipment. A perfect example of this generosity was our recent Indoor Photography Workshop on March 19. The preparations for this event are considerable on all our presentors who so gladly share their love of photography. Thanks just doesn't seem enough as they have given so much. Janet Steyer, Maxey Pinson, Wayne Hughes and Joe Wilson set up and tutored in their lighting stations.

Sam Hyden is one of the most humble and knowledgeable photographers who is witty as well as thorough in sharing his experience.

Joe Wilson is our "go-to" guy from planning the event to manning his station to clean up. Many others contributed and we thank everyone. Another fantastic event provided for our membership and guests. Do your part to take advantage of future activities our officers are bringing you for your enjoyment and advancement.

OUR FOCUS IS ON YOU.....

Bill Webster, Membership Chairman

Bill was born and raised in Oklahoma City. He quit school in November 1947 at age 15 and joined the Navy to see the world, which he thought was for three years. When the Korean War started in June 1950, Uncle Sam decided they needed one more year of his life.

Bill served his duty, on the USS Sperry AS-12, shore duty at the Destroyer Base in San Diego California and aboard the USS Tabberer DE-418. He was discharged in October 1951.

In January 1952 Bill enrolled in Central High in OKC and attended school a half day and worked half day. He started working for Robberson Steel Company in the shop in the summer of 1952. When school started in the fall, Bill began working in the office as a messenger/office boy and continued in that department until he graduated in May 1954. During this time, he met and married his lovely Wife Glenda and they were married in December 1953. They raised two fine sons, Glen & Steve. Bill did all the Daddy things, Cub Master, coached little league Baseball & Football. Bill is now doing all the Granddad things for three wonder grandchildren, Holly 16, Lindsey 9, and Blake 4.

Bill was employed at Robberson Steel for 25 years, the last several years in Contract Sales, until 1977, continuing his sales career with W&W Steel Company until his retirement in March 1997.

In 1978 Bill & Glenda started a small business, buying and selling used photography equipment. In 1984, they had a photography garage sale. That was their first meeting with Joe Wilson. He invited them to attend a Metro Camera Club meeting, and Bill joined shortly afterwards. Bill said he has enjoyed the association with all of the members though the years, and what few skills I have as a photographer are due to being a member of Metro Camera Club. Bill has served as Treasurer, Vice President, Membership Chairman and President.

Glenda and Bill volunteer at the International Photography Hall of Fame, where Bill serves on the local Board of Directors.

So there, now you know more about our affable, amiable Membership Chairman, who has been an active contributing participant in Club work since joining Metro in 1984.

Congratulations to Members Dennis Corbin and Jackie Bartels for their honors in the Oklahoma International Exhibition of Photography: The Salon.

This is the first-time prestigious PSA Silver Medal BEST OF SHOW for Dennis with the Nature Color Print entitled "Cougar". He also received an Oklahoma Club Local Trophy for his photograph, "Bubbles Delight" Jackie received a PSA Local Medal for a Nature Slide entitled "White Katydid" and a PSA Local Medal for a Photojournalism Slide, "Sitten High in the Saddle"

These are truly well earned achievements considering that there were 703 entries with 422 U.S.A. and 281 Foreign.
