LETTER FROM THE PREZ

It's been kind of slow for me the last few days, so I'm really looking forward to the field trip to the Wichitas. There are always lots of great photo opportunities there and I'm ready to try for some 15 pointers (I can always dream). We will meet at the Wichita Visitor's Center on Saturday, June 12th, at 9:00 AM and go from there. Lunch at Meers is always an experience!

The Viewpoint Competition last month had pretty good participation, but it was surprising there were not more entries. The first Viewpoint was so well received, it would be hard to match, but I was expecting more competition. This is really too good an exercise to abandon, so maybe for the next Viewpoint we can get some ideas from the members for a good subject.

If you have any contacts or suggestions for a program, please let Rick or me know so we can continue to keep our meetings interesting.

Don't miss a chance to invite someone to the club meetings. I met a new neighbor while he was working on the fence behind our house. Turns out he once ran a professional studio in another city and had been thinking about finding a club here in OKC. You never know...

RULES CLARIFICATION

The Metro Camera Club absorbed the use of digital cameras into regular competition with no special provisions. This allowed members to use either chemical or digital processes. After much consideration the Metro Camera Club Board has adopted the following clarification which will be printed in our competition rules in the next Yearbook:

Digital is defined as an image taken with a digital camera or converted to digital format by scanners or other means. Pictures produced from digital images by inkjet and laser printers, by image recorders or otherwise derived from a digital image shall be considered digital. Digital images may be entered in Color Prints, monochrome prints and Color Slides, as long as the subject has not been altered. Normal photographic steps such as crop, lighten and color balance are permitted. Computer operations such as adding or removing objects, modifying selected areas, or otherwise affecting the truthful presentation of the subject are not permitted.
