OUTSIDE JUDGES

In January of 2010 the Metro Club Officers, Board Members, and Committee Chairmen approved using three outside judges to judge on two regular competition nights. The dates chosen are July 2010 for Prints/Slides and Oct 2010 for DPI.

In addition to judging they will also provide critique that evening. The judges will all be arts professional and most if not all will be from the photography community. We will share with them and ask that they follow our regular judging guidelines. We are confident that the expertise of the outside judges will prove interesting and helpful as we strive to help us all to be better photographers.
