### LETTER FROM THE PREZ

You guys are doing a great job. I think we set another record for the number of entries in the competition! We may have to extend the meeting until 9:30 just to get the critiques all finished.

Also I'm very proud of the way the club is growing. Now Bill Webster wants to set a new goal of 75 members. Can we do it? I don't know, but it sure seems possible with all the visitors we are having. Don't forget, if you bring a visitor, you get a free two week use of a tape from the tape library. If you sign up a new member, you get two tapes! Pick up some business cards from Bill Webster and carry them with you. Next time you see someone with a camera, give them a card and invite them to the next meeting.

The next meeting will be the presentation of the winners of the Treasure Hunt. It is always a fun time of food and fellowship. 22 people signed up to bring ice cream or pastries or both to the Ice Cream Social. If you didn't sign up, you can still bring your favorite treat to share with the club.

Finally, keep those images coming for the Web Page Gallery. The question was asked last meeting about the size of the files to send. Send whatever size you would like to send, but it should be at least 300k to show up good on the viewer's monitor. I will re-size the images before posting so they are all approximately 640X480 pixels maximum for easy viewing. You guys really know how to heat up the competition! I think a record was set for submissions at the last meeting. The quality of the work was simply great! .....Jack

## FIELD TRIP

Let's all meet at the fair! The Oklahoma State Fair, that is. On September 27<sup>th</sup>, let's see if we can capture the mood and the spirit of our state fair with photos. We'll meet at the Space Needle at 7:00 pm. That should give us time to shoot in daylight, or wait for darkness to fall to capture the fair after dark. It will also give us the chance to capture that last corn dog --- see you all there!

Wayne

September Competition Judges will be: Doug Aitken, Paula Geisinger and Wayne Hughes.

### LINDA SAYS THANK YOU!!

**Dear Metro Camera Club,  
Thank you so very much  
for the great big surprise  
wedding celebration! You  
really have made me feel  
very special and I  
appreciate the kindness.  
Thank you,  
Linda**

### ICE CREAM SOCIAL!!

**Remember to bring ice cream and/or cookies/brownies/whatever to the next meeting for our annual ICE CREAM SOCIAL. The club will furnish paper plates and utensils. The program will be the results of the TREASURE HUNT. This is always a fun time – GUESTS ARE WELCOME, SO BRING ONE!**

### .VIEWPOINT!

#### And the assignment is TREES

**That's right .... TREES .....One tree, many trees, any tree!** You choose. This is an **assigned subject contest**, not a competition that counts toward awards, and is designed to feature our creativity and photographic abilities. It is open to **ALL** categories: color slide, black and white print and color print. Each member is allowed **one entry per category**, i.e. one slide, one black and white print and one color print. **A different image is required in each category**, and of course, if you want to enter in only one category, that's okay.

The catch is the image must be **NEW**, taken between now and the November meeting, when all entries will be shown and judged ....so don't be digging back in the photo files you've kept since the year 01 – we want **NEW** photographs. Let's all participate – should be fun!

### A REMINDER FROM THE COMPETITION CHAIR

Tempus is fugiting right along and at the last meeting, Dennis Corbin reminded us we are just past the halfway point in the year and we should all check our competition entries so we will be eligible for the annual awards. Here's a review of the rules:

Each member is allowed to submit up to 4 entries in each category (color prints, black and white prints, color slides) at each competition meeting, with a limit of 20 entries in each category for the year. .

The end-of-year awards are based on an average of the member's 12 highest scores in each category.

In order to be considered for a category award, a member must have submitted a minimum of 12 entries in that category.

Note: No scores will be considered on entries in excess of the allowed 20 per category.

**JACK VAUGHN MEMORIAL AWARD:** A special competition in which **slide of the year, black and white print of the year and color print of the year** are chosen. Entries must have been entered in competition within the current year, and submitted without change,

enhancement, reprinting or remounting. The original title used in competition must be maintained.
