November 15 - Board Meeting – 7:00 pm
November 22 - TBA

LETTER FROM THE PREZ

Letter from the Prez:

I hope everyone has had a chance to get some foliage pictures. I have been out of commission with a cold and personal business, but there's still hope! Maybe this weekend.

Two important things are taking place this month:

1. Election of officers for next year will take place at the next meeting. At last report, there was someone volunteering for every vacancy, but if you want to volunteer for something, don't hold back. There's no such thing as too much help.

2. Selection of the recipient of the Cameron Award. for 2005. I will be receiving nominations at the next meeting, and the selection will be made at the next board meeting on November 15, 2004. The recipient will be announced at the annual Christmas Party and awards dinner on December 13, 2004. Check the yearbook for the requirements for nomination and submit your nomination to me in writing or by email at jdelisle@sbcglobal.net.

Be sure you have your pictures in the competition meeting on November 8, since it is the last competition meeting for the year.

AN EDITORIAL

As a former president of Metro Camera Club, and for the last three years, editor of the Contact Sheet, it has been gratifying to see the enormous growth of our club. Although our membership has increased, our growth is not just in numbers. Our competition entries this year show a fresh, artistic creativity that is most welcome, and in my opinion, credit for it goes where it is due, to our new members who have raised the bar.

However, there is more to our club than competitions and a tremendous amount of work is done by our officers and committee chairs. We are governed by written by-laws which are printed in our Yearbook, and its directives are followed by the Board. New members may not realize our board meetings are open and any member is welcome to attend. You do not need an invitation to attend a board meeting, just show up. Although you can't vote, you will be welcomed courteously and your voice will be heard.

It is this kind of openness that makes the club responsive to the needs of the membership and it is your participation that keeps the club from stagnating.

It has been a fun three years. If I misspelled your name or typed your points incorrectly, it was unintentional and I apologize. Many thanks to Jack DeLisle –he's been a great President, and to the new Contact Sheet Editor – WELCOME!
